Help Support our Ag Students

- Join the Fort Bend Buyers Group
- Attend one of the Auctions and bid
- Help support Non-Sale Students

Each year there are hundreds of students who participate in the Fort Bend County Fair by exhibiting FFA or 4-H livestock projects. These students are learning valuable life skills and responsibility through their projects. The Fort Bend Buyers Group was created to increase the community support for all Fort Bend County students at the Fair. Increasing numbers of FFA Chapters are organized in high schools in urban areas, and unfortunately the surrounding communities are not aware of their programs.

Buyers Group

For \$100.00 you can become a member of the Fort Bend Buyers Group and support our students. The Buyers Group designates a buyer to attend the Fort Bend County Fair auctions and bid on student projects, as well as provide “add-ons”. Also, a portion of the funds each year is used to help the non-sale students.

*For every \$100.00 contribution, you will receive an ID tag to wear at the fair identifying you as part of our Buyers Group. There is no maximum contribution amount. The **Buyers Group is a 501(c)(3) organization.** Your donation is tax deductible to the extent allowed by law. We strive to make our donated funds help as many students as possible..*

Auctions

Junior Livestock Auction: Thursday, 10/1/2020

George Barn at 7:00 PM

There will be a reception for all Auction Buyers at 5:30 PM in the Fair Club. This is the premium auction for the top placing livestock entries.

Freezer Sale: Saturday, 10/3/2020

Fair Club at 12:30 PM.

There will be a reception for all Auction Buyers at 12:00 Noon. This sale is for animals that did not make the premium auction, but were next in line to the top placing entries. The maximum bid is the lowest price paid for the same animal in the Junior Livestock Auction on Thursday.

Non-Sale Animal Fund

Each year, there are a significant number of students who do not "make sale". This means their animal entry did not place in the Junior Livestock Auction or the Freezer Sale. The Fort Bend Buyers Group supports students who make application for funds. Students are responsible for processing costs. The fund provides start-up money for a new Ag project.

If you are interested in purchasing a non-sale animal for personal consumption, or to donate to a local food pantry, we can help put you in touch with a student.

Accomplishments

Since we began, we have made a difference in the lives of 1,543 students at the Fort Bend County Fair. We have contributed over \$365,000 at the auctions and to students with non-sale animals.
